Walk & Talk offers regular short walks in Broxtowe Borough. They give you the chance to improve your health, make new friends and get to know the local environment.

Broxtowe Sport
Broxtowe Borough Council

Walk & Talk offers different types of walks, so that you can find a walk suitable for you. Please call if you need to discuss your needs.

♥ **Short walks**, between 45 minutes and one hour. Good surfaces on a fairly flat route with no stiles. They are suitable for newcomers to physical activity.

♥♥ **Longer walks**, up to 90 minutes, along a mixture of canal towpaths, lanes, footpaths and public rights of way across fields. Surfaces may be uneven or muddy in places, there may be slopes and some stiles. Please wear appropriate footwear for the conditions.

NORDIC WALKING

Learning to Nordic Walk means you can get more benefits from your time out walking. It burns as many calories as running – but without the impact on your joints.

It also tones the arms, stomach and back muscles at the same time. It's probably the most

satisfying way to get rid of frustration and tension, by using poles with this new Nordic walking technique.

Learn to Nordic Walk – Attenborough Nature reserve – Starting Thursday 5th April, and then continuing the first Thursday in every month.

Booking is compulsory, to reserve a set of poles and confirm meeting place.

Contact Angela Quartly – Mobile: 07933 306199
Email: angela.q@virgin.net Fee £6 per session.
Start time 9.30am Duration 1.5hrs

WALKS AFTER WORK

Fancy a walk after work? All the walks after work meet at 5.45pm from the various start points, and start the walk at 6pm.

The walks will take approximately 1hr 15 mins.

Two trained walk leaders will be present throughout the walk, one will lead the walk, the second will follow at the rear of the group.

All of the walks are flat, with NO obstacles or stiles. Walking boots are not required but suitable footwear should be worn on all walks.

Tuesday 15th May	Beeston Square – Bandstand
Tuesday 29th May	Attenborough Nature Centre – Barton Lane. Meeting at the notice board on the roundabout within the car park.

BUGGY WALKS – AT ATTENBOROUGH NATURE RESERVE

Buggy Walks – the easy way to exercise with your baby!

In partnership with Broxtowe Sport we are introducing free buggy walks around the Reserve. These sessions will be led by an instructor and will offer new mothers the chance to exercise without the need for childcare and in a supportive environment with other mums. The walks will take place every Tuesday morning for 10 weeks and will last about an hour.

Starting 24th April until 4th September – 10am start – Free.

You must book prior to attending each session by contacting Melissa Jennings at Broxtowe Sport on (0115) 917 3752 or Melissa.jennings@broxtowe.gov.uk

WOLLATON PARK AND LENTON HEALTH WALKS

'Best Foot Forward' (the Walking for Health Scheme for Nottingham City) offers a programme of short guided health walks in Nottingham City. For more information about walks in this area, please call Ali Allen on 0115 919 4877.

How can walking improve your health?

Did you know that regular walking could improve your health? Moderate exercise, that makes you feel warmer and breathe a little faster, is enough to make a difference. Even short amounts of activity count, like walking to the shops, or getting off the bus a stop early. Adults should aim to be moderately active for 30 minutes on at least 5 days a week.

Getting physically active can boost mental wellbeing by lifting your mood, reducing tension and stress and giving you more energy.

Two trained leaders will be present during the walks. One will lead the walk the other will follow at the rear of the group.

Starting Times

You will need to complete brief health and registration forms before your first walk. On subsequent walks you will need to sign the register. To allow time for this please arrive a few minutes before the start of the walk.

General Information

There is no need to buy any equipment to take part, just turn up on the day.

Dress sensibly for the weather and wear appropriate footwear for the conditions.

You might like to take a bottle of water with you, particularly in warmer weather.

Dogs are not allowed, with the exception of guide dogs.

Smoking is not allowed during the walks or at the meeting point.

If you have any health concerns, you may wish to check with your doctor before taking part and please bring any medication you may need.

Children under 14 would need to be accompanied by an adult.

All walkers are welcome to join the group for refreshments following the walk.
