BYCHLOE BIGGS

HEMLOCK STONE

Hemlock stone is a very large and old stone it is on a hill at the very top. You can go up and see it and you can look at the information next to it and you get loads of information about it .

And when it was built and how old it is .

The Bramcote Leisure Centre

Here is a great place where you and your family can come and have a nice time, and you can just swim and relax there is a slide so if you have any children than they can go on it and have lots of fun. There is some squiddy toys that come out for the children as well they help the little ones to swim, there is 3 different pools there is a little pool and than there is a splash pool, finally there is the biggest pool for the adults. That is one of the best places ever.

The Bramcote village

In Bramcote there are lots of pubs like the Sherwin Arms .

There is also the pub the White Lion.
